Subject: Docket No. 2021-233-T, Application of Denton & Company, LLC, dba MoveMo Moving & Packing for a Class E (Household Goods) Certificate

Good morning to All Parties in the above referenced transportation matter.

In reviewing this docket in preparation for the scheduled pre-hearing conference and the hearing as noticed by the Commission's Clerk's Office, it appears the applicant is a corporation, but is not represented by an attorney. As I am an attorney for the Public Service Commission, I am unable to provide legal assistance to any party or applicant, or their counsel; but I would ask all parties to review the applicable statutory and regulatory law regarding the certification of a motor carrier. Specifically, please note Regulation 103-805 of the South Carolina Code of Regulations regarding the requirement that a corporation have the appropriate representation under the law.

Thank you to All Parties in this docket. As noticed in correspondence from the Clerk's Office: "Persons seeking information about the Commission's procedures should contact the Commission at (803)896-5100 or visit its website at www.psc.gov."

Yours sincerely,

Sharon Besley
